MMR_0612 Steve Zapytowski MCR Div 1 Kent, Ohio

Steve Zapytowski

I served the 'Dark Side' is how Steve describes his 25 years as Professor of Design and Technology in the School of Theater and Dance at Kent State University. The dark side is, Steve explains, because all his teaching was directed to behind the scenes work.

Now retired, Steve has been applying his knowledge and creativity in lighting, video and sound design, set design and scenery creation to his superbly constructed Pacific Northwest based 12' x 25' HO/HOn3 *Tillamook & Astoria Railroad.*

Steve Zapytowski is an NMRA Master Model Railroader and has a gorgeous logging railroad dubbed the Tillamook and Astoria RR in both HO and Hon3.
